The nodes are scattered across the frame, with some forming distinct geometric shapes like triangles and quadrilaterals. The overall aesthetic is modern and digital.

hidden places in my heart and ruined me forever, I still feel it in every fiber of my being. The plot is captivating, gritty, dark, so intense, with such deep anguish that leaves you breathless, wow, I couldn't put it down.

The characters are UNIQUE! My Vaughn is..., I have no words, his personality fascinates me, a character so complex as I have never read another hero before, his mind is a vast universe full of thoughts that torture him, and he has such a pure heart under his cold outside. Lenny is his perfect complement, sassy and brave, determined and loyal, she is my author's FAVORITE HEROINE to date.

Although at the beginning they can't stand each other, L.J. does a masterful job narrating the evolution of their relationship and the characters, I loved the way in which the author gradually reveals layers and layers in their personalities. Wow! They are the perfect combination, innocent but sexy, vulnerable but strong, hurting but divine.

THEIR ROMANCE IS HEARTBREAKINGLY BEAUTIFUL!! I loved their deep and intense connection, their hearts and souls are connected through time and distance! And their scenes dear god, are sooo scorchingly hot, dark but sweet, wow, they took my breath away! Their love story will stay in my heart forever!

And Vicious as dad is the best thing ever!!

The author gives us a masterpiece that is beautifully tragic, emotion overflows in every page, the writing is exquisite, flawless and sexy bordering the dark and decadent. There is something so powerful in L.J. Shen stories, something that mesmerizes you, owns your soul and leaves you speechless. But ANGRY GOD GOES BEYOND EVERYTHING I'VE READ BEFORE, it is an unique experience, a roller coaster of intense and deep emotions.

Get ready to be owned, wrecked and ruined by L.J. SHEN AT HER BEST!!

ANGRY GOD ES UNA DE LOS MEJORES LIBROS DE TODOS LOS TIEMPOS, está tan profundo en mi alma, llega a los lugares más escondidos en mi corazón y me arruina para siempre, todavía lo siento en cada fibra de mi ser. La trama es cautivante, cruda, oscura, tan intensa, con una angustia tan profunda que te deja sin respiración.

Los personajes son UNICOS! Mi Vaughn es..., su personalidad me dejó asombrada, es un personaje tan complejo como nunca había leído a otro héroe, su mente es un vasto universo plagado de pensamientos que lo atormentan, y tiene un corazón tan puro bajo su frío exterior. Gahhh, nuestra heroína es su complemento perfecto, tan atrevida y valiente, tan decidida y leal, la amo, y ELLA ES LA HEROINA FAVORITA DE MI AUTOR PARA FECHA.

Angry God

A pesar que al inicio ellos no se soportan, la autora hace un trabajo magistral narrando la evolución de su relación. Me enamoré de esta pareja tan profundamente. Me encantó la forma en que la autora revela gradualmente capas y capas en sus personalidades. Son la combinación perfecta, inocente pero sexy, vulnerable pero fuerte, doloroso pero divino.

¡SU ROMANCE ES DESGARRADORAMENTE HERMOSO! Me encanta su profunda conexión emocional, sus corazones y almas están conectados a través del tiempo y la distancia! y sus escenas, querido Dios, son tan sexys, oscuras y tan dulces que provoca escalofríos solo recordándolo. y me dejó sin aliento. Su historia de amor permanecerá en mi corazón para siempre.

Y Vicious como papá es lo mejor de lo mejor!

La autora nos regala una obra maestra que es bellamente trágica, la emoción se desborda en cada página, la escritura es alucinante, impecable, poética y sexy bordeando lo oscuro y decadente, desde el principio hasta el final de una obra de arte. Hay algo tan poderoso en las historias de L.J. Shen, algo que te cautiva, posee tu alma y te deja sin palabras. Pero ANGRY GOD VA MÁS ALLÁ DE TODO LO QUE HE LEÍDO ANTES, es una experiencia, una montaña rusa de emociones intensas y profundas.

¡PREPÁRATE PARA SER POSEIDO, ARRUINADO Y DESTROZADO POR LO MEJOR DE L.J. SHEN!

After reading the first two books in the All Saints High series you might think you know who Vaughn Spencer is but OMGGGG!! LJ Shen just dropped her first explosive read in 2020 in the form of Angry God and Vaughn Spencer and she took ZERO prisoners. Good Lord this story was EVERYTHING!!! This author has once again delivered a MAGNIFICENT read that has left me speechless, in awe and honestly heartbroken that it's over. Angry God is epic and solidified itself as Leigh Shen's BEST READ EVER!

After reading the first two books in the All Saints High series you might think you know who Vaughn Spencer is but you honestly have NO idea! I have never loved an LJ character the way I love Vaughn. He has the attitude and personality of his father but the artistic soul of his mother. Leigh Shen really broke the mold with his character encapsulating who he is, what happened to him and how he was affected by the one person in his life that burrowed deep within him and never left.

Likewise, Lenora is pure magic. I love everything about her. She is raw and wounded and his perfect match. Their banter was FIRE and their chemistry just as combustible. Overall, you will DIE for this story. As usual Shen's writing is innovative and provocative. Her books are always original and always full of the typical snark and smart dialogue that she is known for. This story is the first of many bombs this author will drop in 2020 and I seriously can't wait for this epic ride! 5 stars! ~RatulaÂ â• ¢ ...more

5 Sad Itâ€™s Over CROWNS

Hauntingly Beautiful. Completely Unexpected. Vaughn crept up on me, and broke me down. He owns my heart, and I never want it back.

Vaughn Spencer is more than I ever expected. I obviously expected some Vicious elements, he is his father's son after all, based on his behavior in the previous books, but I didn't expect the softer parts, the broken parts. Based on the title, readers know there is something that has affected Vaughn in a monumental way, and the way LJ Shen handled it and the fallout with Vaughn's character was exceptionally well done. She handles it with care and respect, and I love how he loves Lenora, the way he shows her in the end, the heart he tears out of his chest and hands to her. He is one of the most vulnerable characters Leigh has created.

Lenora. Oh, boy. She is perfect for Vaughn, matched in every way. She pushes back, she is smart, and she is artistically driven. They communicated on another level in this book, fully opening up to each other as the novel evolved, and she was truly a heroine who loves her hero for who he is, what he has endured, and where he is now. She takes nothing lying done, and I was thrilled to see her holding his hand in the end.

Of course, Angry God wouldn't be complete without Vicious and Emilia, and did Shen ever deliver for their characters. The way the love the son can be felt through the pages. I felt what they felt, I empathized with them, because LJ puts you there. She writes their scenes in a way that you have no choice but to feel it, every hard, angry, destructive moment. Even through all that, you could still find the love of the original SOS couple.

Like every single book in this series, Shen tackles major issues, topics, themes, and she did it with integrity and respect to the content. There are triggers in this book, for sure, but I am believer that literature (and romance is) should be a reflection of issues that we experience and plague the world, and sadly the issues in Angry God are rampant still today. Addressing these issues makes us more empathetic, more aware, more humane. Vaughn and Lenora's story absolutely does that. The pain they suffer, the antagonism of a young romance as they stumble through their feelings, and the final HEA shows reader so many things - that light can bloom in the darkest of places, that love can shatter darkness and heal wounds, and that real family, blood or not, will love all your broken pieces and hold you together when you fall apart.

LJ. Shen started this journey with Vicious and it ends with his son, Vaughn, the 8th and final book (as of now) in the Todos Santos world. This series has brought us full circle. These characters and this world has taught me so much. I've grown, laughed, loved with this fictional people, and that is the power of a phenomenal romance.
